"Willow Run"

A Magnificent Estate

The opportunity to purchase a property on a 3716-square-metre block in a private Castle Hill street is a dream for many. A 46-metre frontage and beautiful established gardens and trees backing Cattai Creek make this dream a fairytale.

The owners who built the house in the early 1980s have likened it to like living in a park for its luscious gardens and trees and wide open fields. It has a 14-metre in-ground solar-heated saltwater pool with spa and plenty of room for a full-size, north to south, tennis court.

The large five bedroom house is in immaculate condition, ripe for extension, redecoration or whatever your heart desires.

There is minimal street activity in this quiet avenue and Castle Hill's restaurant and shopping precinct is just a few
