

## BEAUMONT HILLS

4 🛏 3 🚿 2 🚗

Words can't describe this modern, custom built home of approximately 48 squares which is positioned at the highest point of Beaumont Hills. The far reaching views and private setting are some of the many features of this modern cement rendered property that will captivate you from the moment you step in to the impressive entry and continues throughout the three levels. Boasting four massive king sized bedrooms with built-in wardrobes plus a private study with plantation shutters and the palatial master bedroom features a generous walk-in wardrobe the size of a bedroom and beautifully finished, full size ensuite with heated flooring. With a brilliant design which accentuates the open plan living area with heated tiled flooring downstairs on three separate zones and kids & movie buffs alike will love the private home theatre room
