

FIDDLETOWN

What an opportunity! Located in arguably one of the most sought after streets in the suburb due to the private location and proximity to Northholm Grammar school, this 15 acres of land is ready for your dream home! The land consists of a majority of cleared flat acres with the remainder being uncleared bushland. The parcel of land takes in a large elevated peninsula jutting into bushland and as such enjoys beautiful views over the district. Large choice of sites for that brand new rural residence!
